

*James F Cooper Elementary School Music Program*

*Mr. Prettelt – Instrumental*

*Miss Metal – Chorus*

Dear parents/guardians,

Our annual winter concert assembly is rapidly approaching and the children are working very hard to prepare for it! The purpose of this note is to inform you of everything you need to know for the concert day.

The winter concert will be held on Thursday, December 20<sup>th</sup>. For the first time we will be presenting two separate shows:

- 10am for **students and staff only**
- 2pm for **family**

Both performances will be held in the APR and space is limited! This is an informal assembly that offers a preview of our concert. Our official concert will take place in the spring to showcase all our hard work throughout the school year.

**Band and orchestra students will need to have their instrument and music on December 20th.** Students are encouraged to wear their Cooper gear or blue and white.

If you have any questions, please contact Mr. Prettelt or Miss Metal.

Thank you for your support of the music program at James F Cooper!
