

Winter Recess Reminders

Dear Kilmer Families,

Please note that we will make every attempt to get the children outside for recess during the winter months. It is very important that all children come to school with winter coats, hats, and gloves so they are prepared to be outside in chilly weather. Indoor recess will occur when the reported wind chill temperature or precipitation prevent outdoor activities. Please keep the following in mind as you prepare your children for school each day.

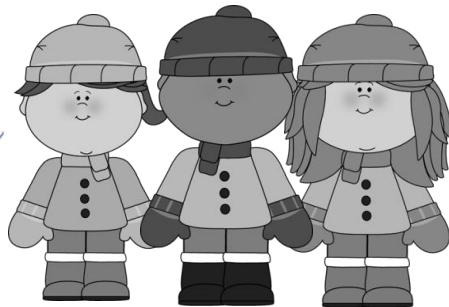

- Dress in layers and bring coats, hats, and gloves every day.
- Students are not permitted to use personal electronic devices during recess, and these items should not be brought to school.
- Students may not bring trading cards of any sort to school.
- Individual classroom teachers will designate activities available for indoor recess.

Thank you for assisting us with a smooth transition into the winter months and helping us to prepare your children for an enjoyable recess period.

Best regards,

A handwritten signature in blue ink that reads "Rebecca J. Tiernan".
